

Support

How Can You Help?

Financial Support – Support the Green Bay Bicycle Collective by becoming a member or making a cash donation. A GBBC membership is good for 13 months and a 10% discount at the following shops...

Bike Hub, Broken Spoke, JB Cycle & Sport, In Competition, Pete's Garage, and Stadium Bike

Membership and donation dollars directly fund the programs and operations that we provide to the community. Without the financial support of our members and donors, we cannot achieve our mission of making bicycling possible for everyone.

Donate your used bicycles, bicycle parts, accessories and child trailers - One of the best parts of the GBBC is how our volunteers and staff mechanics give new life to a nonworking bike or use the materials to upcycle and create art. Bike donations make a difference in our community!

Your support will help local children experience the pride of owning a bicycle and the ability to ride safely and confidently.

Your donation may be tax-deductible thanks to our fiscal sponsor, **The Bicycle Federation of Wisconsin**. For more information about the Wisconsin Bike Fed, visit www.bfw.org.

Thank You!

Our Mission

The mission of the Green Bay Bicycle Collective is to promote cycling as an effective and sustainable form of transportation, through education, encouragement, and advocacy, thus creating a safe, healthy, community-based bike culture.

What We Do

The Green Bay Bicycle Collective is a non-profit bike group made up of cyclists and advocates. We offer bike safety courses and refurbished bikes through our Earn A Bike program and encourage mobility by hosting community rides and events. Our advocacy efforts include working with local officials to increase bicycle and pedestrian infrastructure in the Greater Green Bay Area.

Community Bike Culture
