

VISIT OUR MOBILE BIKE REPAIR THIS SUMMER, PLUS OTHER SHOP UPDATES!

Summer is right around the corner, and that means several exciting things are in store at GBBC (and throughout Green Bay) for cycling enthusiasts and area locals. Last month, we kicked off the season with our annual Coffee Ride, and this month, we'll be launching Mobile Bike Repair at area parks, adding new hours for Earn-a-Bike, and training up new volunteers on Monday nights. Read on for details!

But first, thanks to all who joined us for the 2022 Coffee Ride!

This year's Coffee Ride was another one for the books with a great turnout, plenty of cool clunkers, excellent hosts (shout out to Kavarna and the new coffee shop in town Coffee Wizardz!), and a fun time had by all. Thank you to everyone who came out, and congratulations to this year's winners for Coolest Clunkers!

MISS THE 2022 COFFEE RIDE?

Stay tuned for next year's date, and in the meantime, give Kavarna and Coffee Wizardz a visit!

MOBILE BIKE REPAIR: COMING TO A PARK NEAR YOU

If you've stopped by the shop or seen us at recent events, you might have gotten a sneak peek of the shop's newest addition: a Bullitt Cargo E-Bike, courtesy of Wisconsin Bike Fed.

We'll be using it to provide basic bike repair services at Green Bay area parks this summer. Kids in the summer parks program can bring bikes down for help fixing flat tires, broken chains, loose or soft brakes, and other common issues. We'll also be looking for applicants to our Earn-a-Bike program, so stop by to talk to us if you or someone you know is interested!

Our Earn-a-Bike program is the only one in the Green Bay area and allows participants to volunteer at the shop, learn about bike safety and maintenance, and ultimately earn a free bike from our garage. [Stop down to 418 4th Street or email us at \[info@gbbicycle.org\]\(mailto:info@gbbicycle.org\) to learn more.](#)
